STATEMENT OF FINANCIAL RESPONSIBILITY

In order for my eyecare provider to service my account, or to collect any amounts I may owe, I agree that I may be contacted at any number or address I have provided above or during a previous encounter. I understand that my eye exam and any optional contact lens fitting copayments are due today, and glasses or contact lenses may not be dispensed if those copayments are unpaid. I also understand that fees for services are non-refundable and non-negotiable, and any contact lens prescriptions given are valid for one year per federal law. I furthermore agree to pay any collection expenses incurred to collect any amount I may owe due to non-payment. I understand that I am solely responsible for the cost of all non-covered items, as outlined in detail on my receipt which includes: the specific date of service, description of each procedure/service, and the amount I am responsible for paying out-of-pocket; I certify that I have been informed of all items and cost. I authorize the release of my information for my eyecare provider to file all insurance claims if we are a participating provider for your plan. However, there is no guarantee of benefit information and/or coverage and if my insurance denies payment for any claims submitted, I will be responsible for full payment and can contact my insurance company directly should there be a dispute. My eyecare provider can also supply me with an itemized statement which I may submit to my insurance carrier, should I need to submit for reimbursement. I understand that any follow-up appointments related to a contact lens evaluation are included for three months after the initial fitting, and should there be any follow-up appointments required after the three months have past, I am responsible to pay the professional service fee. Additionally, I know that any optional testing that I have verbally agreed to pay for, is my responsibility to do as such on the date of service. Should I receive a medical examination, I understand that my major medical insurance will be billed and I will be responsible for any deductibles, coinsurance or copayments that may be due.

I have read and understand the Statement of Financial Responsibility.
